## All:

See the new briefing paper due date below of Feb. 18th by OST GoVt Affairs. TCA will strive to provide to them and OST Scheduling by Friday, Feb. 12, as Monday, the 15th is a holiday. That gives us all week to finalize. Let's all take a breath and relax on Sunday regarding this issue. I love the level of accurate communication we get from the West Bldg.

Subject: Meeting Request with Secretary LaHood and Governor Linda Lingle (HI)

## Aloha Joanna:

Your email address was given to us as the best person to begin the process of securing a meeting with the Secretary and Governor Lingle.

The purpose of the meeting is to discuss...

\*\*Federal support for designating the Port of Honolulu as a Strategic Port, federal DOT support for key highway projects and the current review of the EIS for the Honolulu rail project including the impacts on Honolulu International Airport.

Governor Lingle and Hawaii's Director of Transportation Brennon Morioka will be in DC on Friday, February 19th. We wanted to know if there was any possibility of setting a meeting for that day?

Look forward to hearing back from you.

With aloha,

Marcia
